Foot Ball.

In the opening game of the season the new Paris Athletic Club foot ball team defeated the Millersburg Military Institute at Millersburg Saturday afternoon by the score of 11 to 6. Both teams were very evenly matched in weight, but the superior condition of the military boys kept the score down, as the local team made both touchdowns by playing straight foot ball and could nearly always buck the line for the required gains.

M. M. I. scored after three minutes play, on a well placed punt by Lee, which Hindman recovered on the run and crossed the goal line. The local boys then settled down and secured the ball on the kick-off and by steady back carried the ball to the center of the field, then Clark went through the line for forty-five yards and on the next down Friedberg crossed the goal line. The ball was again kicked off and Paris again carried the ball down the field for their second touchdown.

The second half was played without either side scoring and when time was called the ball was in Paris' possession on their twenty-five yard line. The following is the line-up of the teams:

Paris Athletic Club.—Shout c, Ransom r g, Booth l g, P. Lancaster r t, Smith l t, Spears r c, Mitchell l c, Bell, Friedberg r h b, U. Lancaster l h b, Clark full.

M. M. I.—Ferguson c, Harney r g, Watson l g, Johns r t, Gaitskill l t, Fagan r c, Hindman l c, Gay, Robertson h b, Lee l h b, Haley full.

Touchdowns, Friedberg 2, Hindman 1. Goals kicked, Bell 1, Lee 1. Referee, Capt. Riley. Umpire, Elgin. Time of halves, 20 minutes and 15 minutes.

The local team will play their second game of the season on the local grounds, Saturday afternoon, Oct. 10, with the strong Mt. Sterling team. Paris has very bright prospects for a winning team this season and they should receive the support and encouragement of every citizen.

Well-Known Attorney Paralyzed.

William Crowmell, a well-known attorney of Frankfort, and for a number of terms Chief Clerk of the Senate was stricken with paralysis in his office Saturday afternoon, and is in a serious condition, although his physicians say that the attack does not bear fatal indications.

Democrats Enthusiatic.

Several hundred enthusiastic Democrats assembled at the court house yesterday at 1:30 p. m. to hear the excellent speech of Judge B. F. Hill, of Henry county. Judge Hill is one of the best Democratic stump speakers in Kentucky and held the close attention of the large crowd present. He is a forceful speaker and made unanswerable arguments for the cause of Democracy. The Democrats of Bourbon will have one of the best organizations that has been in this county for years, and it is predicted on all sides that old Bourbon will give the largest Democratic majority that has been given for years.

Court Day.

A good crowd was in attendance on October court day yesterday. There were about 40 mules on the market bringing from \$100 to \$175. Good ones were in demand and common ones not wanted.

W. D. McIntyre, of Millersburg, sold three mules to Chas. Thompson, of Lexington, for \$162.50 per head.

McClintock & Son, of Millersburg, sold pair of mules to I. D. Thompson for \$325.

There were between 50 and 75 mule colts here, but seemed not to be in demand. The prices of those sold ranged from \$30 to \$75.

Balloon Races.

The international balloon races, in which are a dozen or more American entries, begin this week in Berlin. The Pommern, which won the race at St. Louis a year ago, and thereby carried the next races in Germany, is again an entry.

Notable Jewish Holiday.

Yom Kippur, or the "Day of Atonement," one of the most important of the Jewish religious holidays, began at sundown Sunday evening and lasted until sundown yesterday evening. All of the Jewish business houses in our city were closed yesterday.

Giants After the Pennant.

The New York base ball club defeated the Boston club yesterday in the first of a series of three games, at Boston, by a score of 8 to 2. Should New York take from the Boston club the remaining games of the series, New York and Chicago will tie for first honors in the National League pennant race, which would necessitate the playing of the deciding game on neutral grounds. At the close of the Chicago-Pittsburg game Sunday Manager Barney Dreyfuss, of Pittsburg, extended an invitation to the clubs to play the deciding game at Pittsburg, should New York prove victorious in the final series with Boston, and should this be necessary the invitation will probably be accepted. One game lost to Boston by New York would, however, mean the awarding of the 1908 pennant to the Cubs.

\$75,000 Fire at Richmond.

Richmond was visited by a destructive fire at an early hour Saturday morning and the loss is estimated at between \$50,000 and \$75,000, partly covered by insurance.

The fire started in the rear of the St. Charles Hotel, and before aid could be summoned that building and its contents had been completely destroyed.

The fire quickly spread to the law office of United State Senator James B. McCreary and the office of the Kentucky Register, both of which were seriously damaged.

Trial of "Fighting Bob's" Boy.

In naval circles interest has been aroused by the approaching trial at Manila of Lieut. Frank Taylor Evans, son of Admiral "Bob" Evans, who is accused of insubordination and intoxication. Besides being the pride of "Fighting Bob's" heart, Lieut. Evans has a reputation in the navy for dare-devil bravery.

Remains a Mystery.

The whereabouts of W. J. Smith, the missing student of the State University at Lexington, is still a mystery. The president and university faculty depreciate the action of several newspapers in giving the case such wide publicity. Why should it not have been given publicity? The whereabouts of that young man should be found out at any cost to the college or State. This hazing business should be stopped by law.
